

## Human Computer Interaction Labs

### Browse Experiments

[Researcher Log In](#)

From Here a user would select the date block of the experiment they wanted to sign up for.

## Experiment X

- Qualification #1
- Qualification #2
- Qualification #3
- Qualification #4
- Qualification #5

Notes:

### Dates

- Date 1
  - Time1
  - Time2
  - Time3
- Date 2
  - Time1
  - Time2
  - Time3

This Experiment is ran by <Researcher1,  
Researcher2,...,Researchern>

[Sign up for this Experiment](#)

This screen shows the experiment qualifications, the Dates and times of the experiment, what researcher is running the experiment, a section for notes and also a link to sign up for the experiment. A user would review the information and hopefully sign up.

### Sign up Information for Experiment X

Name:

Cell Phone:

Email:

☐ By clicking this I have agreed that I meet all qualifications

[Submit](#)

This screen allows a participant to sign up for the experiment and agree to meet all the qualifications.

### Researcher Log In

Username:

Password:

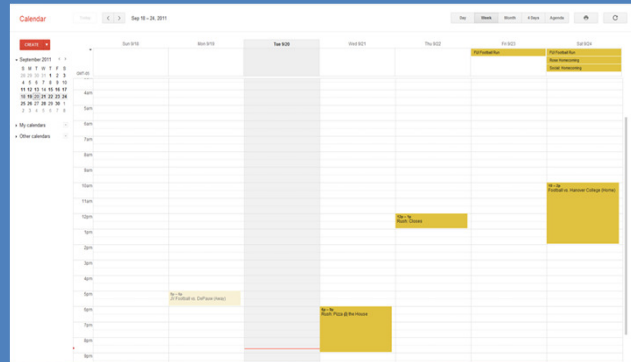

[Log In](#)

A researcher would log in to their account from here.
