PSS Project Plan

Timeline

Available on Redmine: http://pss.csse.rose-hulman.edu/redmine

Week 1/Week 2

Action Items

Item	Assigned To	Completed?
Get Katie setup Git/Development VM/LaTeX/Redmine	Kevin & Katie	X
Meeting w/ Allie - Mondays 10:50am-11:40am • Discuss Use Cases step-by-step • Discuss Domain Model scope • Meeting time for after winter break	All	X
Group Meeting Time • Monday after Meeting w/ Allie • Fridays 9:15am-9:50am • Fridays 10:50am-11:40am	All	X
PM Meeting Time • Thursdays 11:00am-11:30am	All	X
Revise and Submit Milestone 1	Trey	X
Work on Milestone 2 Domain Model	All	X
Email Prototype Link and Redmine Link to Professor & PM	Kevin	X

Week 3

Action Items

Item	Assigned To	Completed?
Develop Django Deployment Guide	Samad	X
Send Django Deployment Guide to Allie	Kevin	X
Team Journal	Katie	X
Update Milestone 2	Trey	X
Send Milestone 2 to PM	Kevin	X
Submit Milestone 2	All	X
Update Redmine	Kevin	X
Update Project Plan Tables for clearer deadlines reading Issue - Be careful about coding ahead of design	Kevin	X

Week 4

Action Items

Item	Assigned To	Completed?
Add to team journal	Samad	X
Update project plan	Kevin	X
Submit Milestone 2	Kevin	X
Review and revise Django Deployment Guide	Samad	/
Brush up on Django	Trey and Katie	X
Submit Milestone 2	All	X

Week 5

Action Items

Item	Assigned To	Completed?
Add to team journal	Trey	
Update project plan	Kevin	
Work on Milestone 3	All	
Review and revise Django Deployment Guide	Samad	/
Submit Milestone 3 to PM	Kevin	
Revise Milestone 3 on PM Feedback	All	
Submit Milestone 3	Kevin	

Hurdles/Issues

Below is a table of hurdles/issues that the team has encountered. It lists the week of the quarter that the hurdle/issue was discovered and when it was resolved.

Hurdle/Issue	Discovered	Resolved
Getting Katie up to speed with the project	Week 1	Week 2
Deploying Django application at HCI Lab	Week 1	
Coding ahead of Design	Week 2	Week 2

Weeks Ahead

Week 6

Django app deployed at HCI Lab
Primary features are implemented according to specifications

Week 7

Secondary features are implemented according to specifications

Week 8

Tertiary features are implemented according to specifications

Week 9

Django app deployed at HCI Lab updated to latest code
Start end user documentation

Week 10

Remove any bugs found from deployed HCI Lab Django app
Finish end user documentation
